## Ian Bail

A journey of performing and recording music, design, print and web production have lead Ian to a new expression through digital images.

## Kelly Edwards

Once she had a camera in hand Kelly knew it was her obsession. Each day photographing increases her passion to see things from a different viewpoint.

## Kirsty Hill

Life is to create, live, laugh, learn, and grow like flowers to the sun. The outlandish, the real and surreal. Kirsty's images let us envision life through her eyes.

## Jen Merrett

A love of photography, artistic design and all things coastal, have combined to create Jen's simple yet uniquely beautiful photo images.

# south 38 1/3

celebrating the diversity and majesty of the local coastline as viewed by four emerging photographers
